June 2017

Dear Parent/Carer,

## **Sports Day – Tuesday 11th July 2017**

In order to make for a more satisfactory day, the following arrangements have been made for our annual Sports Day event.

Period 1 – all pupils will go to period 1 as normal.

Period 2 will be a form period for the whole school where pupils will be able to finalise team arrangements and prepare for their event.

The sports events will commence at 10:30am. This will give a chance for the sports field to dry out if rain has occurred overnight, and give our PE staff time to set up equipment for events.

The field and track events will continue throughout the day until approximately 1:30pm when there will be a presentation of individual winner's certificates, and trophies for the champion forms.

The lunch session for all pupils will be approximately 2:00 – 2:30pm, after which school will close.

Your son, therefore, has the choice to either stay on the premises for his lunch or make alternative arrangements to eat at home.

The dining room will offer a reduced menu range on that particular day. It will also be open at break for refreshments and snacks. A place of supervision will be made available for any pupil who needs to remain on the premises until the usual closing time.

As always, I cordially invite all parents to attend our Sports Day.

With a talented collection of athletes in all years, it promises to be an entertaining day. If fortune grants us a hot and sunny day, we would advise the use of suitable hats and sun cream on this occasion. If the event has to be postponed due to inclement weather, Wednesday 12th July has been identified as a reserve date and under these circumstances we will operate a normal timetable on the 11th July.

Yours faithfully,

Mr A. F. Harrison  
Headteacher
