

WHAT TO LOOK FOR IN THE SCHOOL GATEWAY APP

Your son's grades are listed under Assessment:

Click on a subject to see his grades in that subject:

The GCSE Grade your son is currently working at.

If your son continues progressing at the same rate, this is the grade we expect him to get at the end of Year 11.

Compare the KS4 Projection to the Aspirational Target. In this case, John is projected 3 sub-grades below his target.

As John is below his Aspirational Target, now compare his KS4 Projection to the National Benchmark. He is only just above this grade, so this is a subject he needs to try and improve in.

WHAT TO LOOK FOR IN THE SCHOOL GATEWAY APP

Depending on which year your son is in, he will receive numbers and letters in different subjects. For numbered grades, 9 is the highest.

To see how well your son is doing, please look at the **Projection** compared to the **Aspirational Target**.

If your son is in Y7, 8 or 9, his **LIVE** data is likely to be below a good pass for the end of Y11. To see if your son is on track to get good passes in his subjects, please look at the **Projection**.
