

Learning Habits in Technology

Ready

- Bring all **basic equipment** including glue stick and scientific calculator.
- Bring in **ingredients, container** or **ovenproof dish**, when required.

Respectful

- Broaden your understanding by **listening carefully** to other people's ideas.
- **Respect** the **equipment** and resources provided.

Responsible

- Listen to and **follow all instructions** to enable you to **work independently**.
- Use green pen to self-mark and complete all **EBI tasks** in order to develop work and show progress.

Aim High

- **Explore** a variety of **creative solutions** to design and make tasks.
- Use the recommended **revision resources** and the **VLE** to prepare for assessments.
- Access the wide selection of books available from the school or public **library** to develop our knowledge and understanding.
