

Learning Habits in English

Ready

- **Annotate** what we read to identify and remember the most important information.
- Keep neat and **organised notes** so we can revise and remember what we learn.

Respectful

- Share our ideas through **public speaking** and **class discussion**.
- Take different roles in **group work**.

Responsible

- **Redraft** our work to communicate more effectively.
- Follow a **revision** schedule, complete **practice exam papers** and ask for feedback.

Aim High

- Use the library and our online learning platform to **research** and **read more deeply** into a topic.
- **Check upcoming work** on our online learning platform and **prepare questions** before a lesson.
- **Read regularly** from a wide **variety** of genres, including books we find **challenging**.
