

## **Expedition Travel Insurance Policy Reference – DD9420AHA190**

At Camps International the safety of all team members is paramount, which is why we have arranged a travel insurance policy to automatically cover all team members who have booked to travel with us. The cover has been arranged by Insurance Brokers Campbell Irvine and is underwritten by Millstream. This insurance has the support of Intana Global experts in providing 24-hour medical emergency assistance.

Please find below a copy of the travel insurance Policy Summary detailing the important features of the cover and the exclusions.

Should you require a copy of the full Policy Document a copy will be made available to you upon request

Please read the Policy Summary carefully to ensure you fully understand the cover provided and take any necessary action that may be required by yourselves.

The policy has no excess for claims over £50, however team members will have to **cover claims up to £50**. We therefore recommend that all team members take with them an additional £50, separate from their spending money to cover this.

As with all insurance policies the cover is subject to a few **exclusions**, therefore please ensure you have read and understood the policy details below. If the policy does not fully provide cover for you, it is your responsibility to source additional cover.

In addition to the details below please note the **policy does not provide cover for pre-existing Mental Health conditions** and the **policy does not provide cover for personal effects**. Please ensure that you have additional cover in place if required and that any items to be carried overseas are fully insured. Camps cannot be held responsible for any loss theft or damage to personal effects whilst travelling with us.

The policy does not come in to effect until after payment 2 has been made.

Please note Camps International does not have any control over claims. All claims are handled at the discretion of the insurance company. Any decision the insurance company makes regarding a claim is final and Camps International have no influence or involvement in that decision.

If you need to make a claim please email [operations@campinternational.com](mailto:operations@campinternational.com) and we will send you the relevant forms and information.
