February 2019

Dear Parent / Carer

World Book Day – Book Swap event

On Thursday 7th March, West Hill will be one of hundreds of schools participating in World Book Day. This is an opportunity to celebrate and promote reading for pleasure and encourage our students to access a wide range of literature. As such, this year we will be holding a **book swap on World Book Day**. We are asking students to bring in any books which they no longer read, in order to swap it for another one.

In order for this to be a successful event, and for the boys to have as wide a range to choose from as possible, we would appreciate your support in encouraging your son to bring in any unwanted books that would be suitable for another boy. The book swap is for all year groups so it could be for an older or younger reader. Similarly if there are any books which you no longer read, which you think may be suitable and enjoyable for a student, please also donate. The more books your son brings in, the more tokens he will receive and the more books he will be able to take away on the day.

Your son can **start bringing books in straight away**; they can be given to his English teacher in exchange for a token which can then be exchanged for a book at the Book Swap on 7th March.

Book Fair

We will also be holding a book fair in school from Friday 29th March until Thursday 4th April. Your son will be able to use his National World Book Day voucher towards the purchase of new books from the book fair.

These are great opportunities to encourage your son's reading so thank you in advance for your support.

Yours sincerely,

The English Department
