GCSE Combined Science 9-1 Revision Guides

06/09/2017

Dear Parent / Carer

We will be offering Y10 pupils the opportunity to purchase CGP AQA Combined Science 9-1 revision guides, workbook and answers at a reduced cost of £12.

The resources are essential for maximising success at GCSE and will be used in conjunction with a home study / revision programme.

Although other resources are available, we feel that these books are the most appropriate for the Trilogy Science course.

Please complete the attached reply slip and return **to Mrs Corrigan in S30** with your payment before **22/09/2017**.

Once all money has been collected, the order will be placed and the books will be handed out during lessons. These books will be used to prepare the students for the Science examinations at the end of year 11.

Pupil Premium vouchers will also be accepted.

Many thanks for your continued support.
